

SEAN JONES QUOTES

"Sean Jones embodies the 21st century jazz musician, an experimental, supremely talented type whose vision and sensibility encourages inclusion rather than separation."

- ***Amazon.com***

"Mr. Jones is a trumpeter with an incisive tone and a firm grasp of jazz traditions."

- ***New York Times***

"Trumpeter Sean Jones continues to develop into a formidable player, composer and all-around in-demand guy."

- ***National Public Radio***

"Jones is excellent every time he picks up his horn."

- ***Pittsburgh Tribune Review***

"When Jones solos, soaring with a gentle strength as his band swells behind him, it's not just a pretty melody... It's praise."

- ***Jazz Times***

"The passing of the great Freddie Hubbard in December of 2008 was a humbling reminder of the continuum of life and music. But he has undoubtedly left a profound legacy with a plethora of fine young trumpeter's...most certainly Sean Jones."
